~Trippin' Out~

What is it?

Join us for our new and exciting program designed especially for 5th, 6th and 7th graders. This program will be 100% field trips! We will begin each day with a homework time and snack. Homework will be done in a variety of places such as parks, Starbucks, libraries and more. Our day will continue with a trip to a second destination. Trips will include the movies, community centers, local colleges, sporting events and much more! Families who sign up for the program will receive a calendar, which has the events for the upcoming two months. After the initial two months, the children will help create the upcoming calendar as a group. This will be an interactive program, where the children will explore their own interests around the Boston/Brookline community.

Goals of the program are to:

- Encourage independence
- Contribute to the community
- Introduce children to new places in the Boston Area
- Explore extra curricular interests
- Create a safe and interesting program for older children

Due to the goals of the program, and time limitations, children will begin homework, but may not be finished by pick up. Pick up will be at the Reservoir T stop between 5:30 and 5:45.

How to Sign Up

Children will sign up for two months of trips. You may sign up for Tues and Thursday, or Tuesday or Thursday. To aid in the planning of trips you must sign up for one or two days a week consistently. There will not be any "drop ins" in this program. Tuition for the program will be \$30 per a day. Each child is also required to have an active Charlie Card or monthly T pass. Food and admission fees for trips will be covered by tuition. Half days will require an additional \$15, as there will be an extended lunch and large trip.

Hope to have you sign up soon!

Noelle Ahearn and Lana Falke ☺

Please email us at HEDPtrippinout@gmail.com or fill out this form and mail it to Noelle Ahearn 1219 Washington St - Walpole, MA 02081 no later than July 20th!
